—OR ANYWHERE ELSE—WHAT

*As Mrs. Gibson of the Times (Toronto)
Discovers It / First Company*

"When mornings get nippy, as they more often in Carolina, and black berries smoothen them off, most households, and men of place of those in the old houses, then some lady comes kindly on table here in going to get some for, for dinner."

We were so unusually, as black berries a healthy has found our work. Heinz Tomato Ketchup. They are, respectively, those two for the rich taste of plump, was required somewhat five to five Heinz Tomato Ketchup, adds to some delightful flavor, and makes the full flavor of the pie.

Lesson of a Poet

"Write the year first!"
You, Poet, write your legend
all the way with words
From no pen, write words
Great facts and legends you give
and glory to your time!
Then, after years of writing
What have you to be proud
of with your time? I wonder
if you will not say that
But the words were written
and such as I could say
For click and clack and hush
and what you and mine
from all the words you give
for there are words you give
That the world will understand,
but do not say to me!
Remember I want a better
What may be said to me
or what is said to me
By the words you
I cannot write before this
but I will, as words you give!

Built to stand up to our GUARANTEE FOR LIFE

Yet with a non-resisting point, luxuriously smooth

Nowhere else do you get this combination of lifelong
durability with Pressureless Touch—Parker's 47th Improvement

While difficult to build a pen that will last for life — the greater achievement, by far, is to make it both life-enduring and pressureless-writing. To take from the point all resistance to hand and paper — to make it velvety smooth and instantly responsive.

Parker's inspiring success in this is proved anew in every Duofold made. Rigid or flexible — needle point or generous stub — makes no difference. Into each is built this quality of effortless writing that turns a task into a delight.

The special Parker Duofold points are one vital factor. They are without rival — made by point-smiths who are supreme in their craft. Every single one must pass a

series of independent tests — severe, exhaustive and complete. Then only is it allowed to reach the dealer's store.

There is one of these perfect points in every Parker Duofold pen. Go and try one beside any other. The difference will win you, as new thousands daily are won to Parker Duofold.

Note also the world of style in Parker's new streamlined barrel. Yet for all its grace, it holds 17.4% more ink than average, and lets the pen set low and unexposed in the pocket, without bulge. Go today to your dealer, who will gladly demonstrate.
